Pro-Flex[®] XC

Rated Waterproof Plus

Move Naturally with Pro-Flex[®] XC

The Pro-Flex XC is now rated Waterproof Plus, which means it is fully resistant to both chlorine and saltwater submersion. Designed for active users who enjoy hiking, jogging, and water recreation activities, the Pro-Flex XC assists in actively advancing the body forward, evening the stride, and reducing impact to joints for increased comfort and ease. The Pro-Flex foot range features our proprietary 3-blade design with full effective toe lever and an anatomical split toe.

Take a closer look and watch our microlearning video on the new Pro-Flex XC - Waterproof to 3m and corrosion resistant. This microlearning video will guide you through the changes and improvements made to the Pro-Flex XC.

Össur Women in Innovation

Empowering the Future of O&P

Össur and the Össur Women's Leadership Initiative are pleased to present the first global workshop specifically for women in orthotics and prosthetics. In this live, fast-paced, interactive virtual event we will highlight women in the profession and discuss relevant, professional topics. The format will include

short presentations and live, small-group breakout rooms for discussion and networking.
