

## ICEROSS DERMO® LOCKING WITH WAVE

Made with the softest silicone, Iceross Dermo cushions the limb while actively caring for the skin of people with vascular problems or sensitive skin.

Iceross Dermo features horizontal waves designed for easier flexion at the knee, Iceross Dermo Conical also features vertical waves intended to help prevent the edges from rolling down.

A premium suspension liner that provides superb softness, gentle skin contact and Active Skin Care ingredients. The combination of DermoGel® silicone with an ultra-strong and elastic Supplex® fabric cover offers excellent durability and an intimate fit.

Össur recommends that Iceross Dermo Liner with Wave is used in conjunction with the Icelock® 600 series.
