

My Össur Leg

Direct Socket TF

The Direct Socket TF can be customised to support your lifestyle, offering you comfort and genuine stability every step of the way. The suspension and alignment features enable natural flow, so you can walk with confidence. And yes, even if it rains! The Direct Socket TF is fully weatherproof.

Power Knee™

Feel the support and freedom of the Össur Power Knee. The technology in this knee supports you every step and adds its energy to your own, helping you to preserve your energy. Created with you in mind, you can get on with your day, without giving your knee a second thought!

Pro-Flex® LP Align

Whatever your day holds, the Pro-Flex LP Align is there to support you every step of the way. Designed to support your range of daily activities and you can adjust this foot to the heel height of your shoe. A foot that ensures you move with ease and confidence.
