

My Össur Leg

Custom Socket

No two people with limb loss or limb difference have the same experience. A custom socket is fabricated to provide comfort whilst maintaining freedom of movement.

Rheo Knee®

The Össur Rheo Knee will support your biggest adventures. It seamlessly detects your movements so you can walk naturally and effortlessly — even on difficult terrain. Rheo Knee learns how you move, adapting automatically so you can easily navigate slopes, stairs, tight spaces, or a brisk pace with confidence. Feel confident as you step out, knowing you have support and stability.

Pro-Flex® LP Align

Whatever your day holds, the Pro-Flex LP Align is there to support you every step of the way. Designed to support your range of daily activities and you can adjust this foot to the heel height of your shoe. A foot that ensures you move with ease and confidence.
