Power Knee Training Portal

Now available on our website, the Power Knee Training Portal is a resource that provides a framework for working through the fitting and training of the Power Knee, and offers key insights to incorporate into your practice. From basic fundamentals to advanced operation, the portal includes video tutorials and advice from experts Kurt Gruben, CPO, and Dr. Bob Gailey, to help build clinical competency and confidence in fitting and tailoring the Power Knee to suit your clients' needs.

Power Knee Trials and Reimbursement Support

Power Knee trial units are available to confirm suitability and satisfaction with your clients. Please contact your Area Manager or Customer Care to organise trial and on-site fitting support. Power Knees are currently in stock in our Melbourne warehouse to ensure rapid delivery following order placement.

The Power Knee reimbursement support resource is available on our website to support funding applications for suitable clients.

Welcome back Rob!

Össur ANZ is delighted to announce the return of Rob Hodgson to work, post recovery from his heart transplant! Rob will resume part time from 12th April and be available via phone and email to assist customers with clinical and product enquiries.

We extend our congratulations to Rob for reaching this significant stage in his recovery and are looking forward to adding his expertise back to our Prosthetics Team.
