The Rehabilitation Rental Program Now Includes Rheo Knee® XC!

We are excited to announce the addition of the Rheo Knee XC to the Rehabilitation Rental Program. This program is designed to offer extended access to our Power Knee & Rheo Knee XC units for those seeking longer-term rental for rehabilitation and interim solutions.

Extended Rental Period

The standard trial, of three weeks, remains available to you. The Rehabilitation Rental Program has been introduced for those looking for an extended period to assess the effectiveness of Power Knee & Rheo Knee XC for primary users, offering 3 and 6 month rentals, with a 3-month extension also available.

If you are interested in a longer term rental for your client or more information about the Program, including details about pricing, please reach out to your Clinical Specialist/Area Manager.

A new request form is now available. Please click the link below to download the form most relevant to you.

Delayed Funding Approvals

We appreciate the current challenges you may be experiencing as a result of delayed NDIS funding approvals. We hope that these funding delays are resolved promptly to minimise disruption to the important service that our industry provides to our patients. If this situation is creating difficulties, please reach out to discuss any support we may be able to provide whilst these delays are resolved.
