## Rehabilitation Rental Program: Extended Rental Options Available

Just a friendly reminder that earlier this year, we included the RHEO KNEE XC in our Rehabilitation Rental Program. This program is specifically designed to provide prolonged access to our POWER KNEE & RHEO KNEE XC units, catering to those who require extended rental periods for rehabilitation and interim solutions.

#### Extended Rental Options:

While the standard three-week trial remains an option, we've introduced the Rehabilitation Rental Program for individuals seeking an extended period to evaluate the effectiveness of the POWER KNEE & RHEO KNEE XC. This program offers rentals for 3 and 6 months, with the possibility of a 3-month extension.

If you're interested in renting these units for a longer term for your client or would like more details about the Program, including pricing information, please contact your Clinical Specialist.

## Mobility Clinic on the Move Sydney

Registration Now Open!

Healthcare professionals are invited to join us in enhancing your understanding of mobility challenges by supporting amputees through hands-on practical sessions. Additionally, we are offering the opportunity to participate in an Advanced Clinical Training session where you can explore a range of strategies aimed at optimising functionality and boosting confidence among prosthetic users.

**Date:** 21 - 22 September 2024

**Location:** Sydney Olympic Park Sports

## Össur Academy Course

Össur Academy is excited to be running a Direct Socket TT course in September. Participants will grasp the Direct Socket TT process, including compatible interfaces, suspension options, and associated components. Upon completion, participants will demonstrate proficiency in:

- Evaluating liner sizing and making appropriate selections.
- Assessing user profiles effectively.
- Ensuring proper TT alignment and integrating complementary components.
- Applying troubleshooting techniques to resolve potential challenges.

**Date:** 10 - 11 September 2024

**Location:** Össur Academy, Bayswater, Melbourne
