

Total Knee 2000 Housing & Bumper Cover Updates

The Total Knee 2000 has been redesigned for increased size, strength, and durability. This update includes changes to the housing, knee caps and bumper covers.

- **Compatibility:** New knee caps are not compatible with current model Total Knee 2000, and vice versa.
- **Part Numbers:** New part numbers with an "N" suffix are available for the updated knee caps.
- **Identification:** Models with grey bumper covers and serial number MXC103615 or lower are the current version.
- **Bumper Covers:** Both Total Knee 2000 and 2100 now feature black bumper covers for improved aesthetics.

Conference Season is Here!

Let's Make the Most of It!

NZOPA 2024

Össur was proud to be a Gold Sponsor at the 2024 NZOPA Conference in Wellington, New Zealand, held from 6 - 8 September. The event was a great success, and we were thrilled to conduct two workshops over the weekend. Thank you to everyone who attended our sessions on Microprocessor Controlled Orthotic Ankle Componentry and Össur's New Waterproof MPK Solutions. We were also excited to have several team members present: Wolfgang Uken and Sarah Mulroy from Prosthetics, and Hannah Buultjens, Anton Kemp, and Tim Amor from Bracing & Supports. We look forward to seeing some of you at AOPA!

AOPA 2024

Össur is excited to return to AOPA Congress with two engaging workshops. Our Prosthetics workshop will introduce Össur's new waterproof microprocessor knee along with other waterproof solutions designed for users wanting to access the ocean, pool or river to live a Life Without Limitations. In our Bracing & Supports workshop, Mr. Fior and Mr. Gentz of FIOR & GENTZ will present "The World Isn't Flat: Microprocessor Controlled Orthotic Ankle Componentry," highlighting the NEURO SWING ankle componentry and the revolutionary NEURO HiSWING R+.

For details on our presence at AOPA, including the Össur Café, After Party, and Booth, visit our website.
