NP Devices

Hand Positioning & Impression Taking

In this video, you'll discover the correct method for hand positioning and capturing silicone impressions essential for NP devices. MCPDrivers and ThumbDrivers require a positive plaster cast made from these silicone impressions.

Pro-Flex LP Align: Warranty Extension

We are pleased to announce that the warranty period for the Pro-Flex LP Align has been extended from 2 years to 3 years.

The Pro-Flex LP Align combines functionality, comfort and aesthetic design. It allows your patient the freedom to choose footwear that best suits their activities, without compromising alignment, posture, dynamics or practicality.
