

Power Knee™ Rehabilitation Rental Program Now Available!

We are excited to announce the introduction of our new Power Knee Rehabilitation Rental Program. This program is designed to offer extended access to our Power Knee units for those seeking longer-term rental for rehabilitation and interim solutions.

Extended Rental Period

Our standard Power Knee trial, of three weeks, remains available to you. The Rehabilitation Rental Program has been introduced for those looking for an extended period to assess the effectiveness of Power Knee for primary users, offering 3 and 6 month rentals, with a 3-month extension also available.

How does Power Knee Work?

Watch this short video overview to learn about the functionality of the Power Knee.

If you are interested in a longer term rental for Power Knee for your client or for more information about the Program, including details about pricing, please reach out to your Clinical Specialist/Area Manager.

A new request form is now available for our Power Knee Rental program. Please click the links below to download the form most relevant to you.
