

# Better fit. Better outcomes.

Maximise Comfort

## Perfecting the Fit: Accurate Measurements and Precise Trimming

After selecting the right liner for a patient, ensuring a proper fit requires:

- **Accurate measurements** that reflect the patient's residual limb, including any unique features or volume changes
- **Careful trimming** to align the liner closely with the body and avoid areas of discomfort

Need support?

Watch our quick step-by-step videos on how to measure and trim with confidence.

## The New Standard of Excellence: ICON KNEE

The **ICON KNEE** from College Park officially launched in ANZ on 1 July, bringing a new standard in microprocessor knee technology to clinicians and users alike. Discover the features that make the ICON KNEE a standout choice:

### Long Lasting Battery

The ICON's battery can last at least three days with normal use. Patients can turn the knee off while not in use to easily conserve energy. This knee is also equipped with a smart low-power mode to automatically reduce power consumption.

### IP68 Rating

To accommodate any adventure, the ICON is protected from dust, sand, dirt, and fresh water. This durable knee can withstand many harsh environments without sacrificing function.

### Custom Modes

Clinicians can create up to 10 activity-specific modes to meet unique functional user demands. Custom modes may be activated through Stride Studio or on the knee itself.

## Welcome Dakota!

**Prosthetic Clinical Specialist**  
QLD, NT, WA

We're pleased to welcome Dakota Daniels, who will be joining us from 22 July 2025.

Working as a Prosthetist on the Gold Coast, he has developed hands-on technical and clinical experience in delivering prosthetic solutions to individuals across a wide range of amputation levels.

Dakota brings a thoughtful and hands-on approach to the role and is well positioned to provide clinical and technical support across Queensland, the Northern Territory, and Western Australia.

## Clinical Specialist - NSW

We are seeking a Prosthetic Clinical Specialist to support our customers and further develop and grow our Prosthetics business. Ideally you would be based in NSW but candidates from other states in Australia would be seriously considered. Please contact our People & Culture Coordinator, [Ashley Dube](#) for more information.

Join the Össur Team

## AOPA Endorsed Academy Courses

Össur Academy - Prosthetics offers a range of AOPA endorsed courses year-round at our Melbourne facility, designed to provide in-depth education for clinicians in a distraction-free environment. Our upcoming courses include:

- **29 - 30 July:** Direct Socket TF Course
- **17 September:** Össur MPK Solutions
- **30 - 1 October:** Optimising Outcomes with Össur UL solutions

## Our Giveback Program - Recent Highlights

At Össur, we believe making a difference goes beyond the products we deliver, it's about how we show up for

our communities.

Our amazing team got involved in a range of Giveback initiatives, including taking part in the Push-Up Challenge to support mental health, planting trees for a greener future, and donating blood to help save lives.

We're proud of what we've accomplished and excited for what's next. Because giving back isn't a one-time act, it's a way of doing business.
