New Waterproof Junior Adapters and Components

We're pleased to introduce a **new range** of Waterproof Junior Adapters and Components. Most of the new parts are made from **titanium** and support an **increased weight limit** of up to **60 kg**. As part of this update, nine existing adapters will be phased out and discontinued once current stock runs out.

For more details, please contact your local Clinical Specialist or Customer Care team.

Mobility Clinic on the Snow - Help Spread the Word!

The Össur Mobility Clinic on the Snow is returning in August! Your clients will have the chance to explore the world of snow sports under the guidance of experienced experts. This inclusive event welcomes amputees of all ages and skill levels to express their interest.

When: Friday 1 August - Monday 4 August 2024

Where: Thredbo, NSW

[Learn More](#)

Interested amputees are required to fill in an application form. Due to limited spots available, each application will be reviewed for eligibility. Please note we cannot guarantee all applicants will be successful.

Mobility Clinic Flyers and Posters

We appreciate and encourage any support you can provide by spreading the word and encouraging your clients to apply.
