

Orthosis Shoes

Style and Function for Everyday Life

EXPLORE NOW

Introducing FIOR & GENTZ AFO Shoes:

The Perfect Fit for Your Orthosis

Össur ANZ with FIOR & GENTZ proudly announce the launch of the groundbreaking range of AFO-compatible shoes—designed to provide the perfect balance of support, comfort and style for AFO users.

Why Choose FIOR & GENTZ AFO Shoes?

- ♦ **AFO-Friendly Fit** - Wider openings, adjustable closures, and extra depth for a seamless fit
- ♦ **Enhanced Comfort** - Premium materials and soles for comfort and longevity
- ♦ **Stylish & Functional** - Fashionable designs without compromising functionality
- ♦ **Improved Stability** - Neutral soles for optimal grip and balance
- ♦ **Lateral gusset** - Elasticated lateral section to allow NEURO SWING style joint to fit easily

Now Available in Australia & New Zealand – Order for Fast Delivery

Experience the comfort and support of footwear specifically designed for AFO users without the wait. Order now and step into a new level of mobility! To see samples or for enquiries please contact your local Össur representative.

Strength, Flexibility, and Comfort: Premium Casting Supplies

Össur's casting supplies, including Techform, Techform Precuts, and OrthoRoll, offer reliable, high-quality solutions for both professionals and patients. Designed for comfort, ease of use, and durability, these products are ideal for a wide range of casting applications. Techform delivers exceptional strength and flexibility, while Techform Precuts provide convenient, ready-to-use options for efficient application. OrthoRoll offers a versatile and secure casting material that adapts to different patient needs.

These casting supplies, including Techform, Techform Precuts, and OrthoRoll, perfectly complement the FIOR & GENTZ products for AFO and KAFO casting, ensuring a seamless integration of high-quality materials for optimal patient outcomes. Together, they provide the necessary support, durability, and flexibility for custom orthotic and prosthetic solutions.

**Stance control KAFO options
with FIOR & GENTZ**

This session, led by Tim Amor, Neuro Orthotics Business Development Manager, will focus on stance control knee joints from the FIOR & GENTZ range. We'll cover indications, pros and cons, technical specs, and casting alignment instructions. Tim will also discuss trial options from Össur and diagnostic casting techniques for determining patient suitability for stance control mechanisms.

March Webinar Sessions

Date: Thursday, 20 March 2025

Times: 1:00pm - 2:00pm AEDT | 6:30pm - 7:30pm AEDT

Exciting Opportunities at Össur

Join Our Bracing & Supports Team

Össur ANZ is looking for a motivated Area Sales Manager to join our Bracing & Support team in Perth, Australia, and Christchurch, New Zealand. These roles involve promoting our innovative product range, including the FIOR & GENTZ neuro orthotics, while driving sales and providing clinical education and customer support. If you have a background in health, strong sales skills, and a passion for patient care, we'd love to hear from you!

For more information or to express your interest, please reach out to Kerrie Blanch at kblanch@emblamedical.com.
