Hello,

Due to a change in manufacturer Össur has been able to reduce the production costs of the Formfit Pro range by 15%, and we are pleased to announce that we are passing these savings on to you. Our Formfit Pro range remains at the same high quality, but now at a more affordable price.

Formfit Pro is a precision-engineered 3D knit that delivers professional-grade compression and wicks away sweat to help skin stay cool and comfortable.

FORMFIT PRO KEY FEATURES:

COOLVENT

For added breathability and comfort

FOLDLOCK

For easier and more secure application

SMARTPAD

For targeted support and cushioning

MOTIONTECH

For compression and dynamic fit

RADIALSTRAP

For increased motion restriction

STAYBILIZER

For optimum shape and fit

Watch this short video overview by Össur Academy Clinical Specialist Giles Leeming as he covers the Formfit Pro Range and its features.
