UNLOADER ONE[®] X

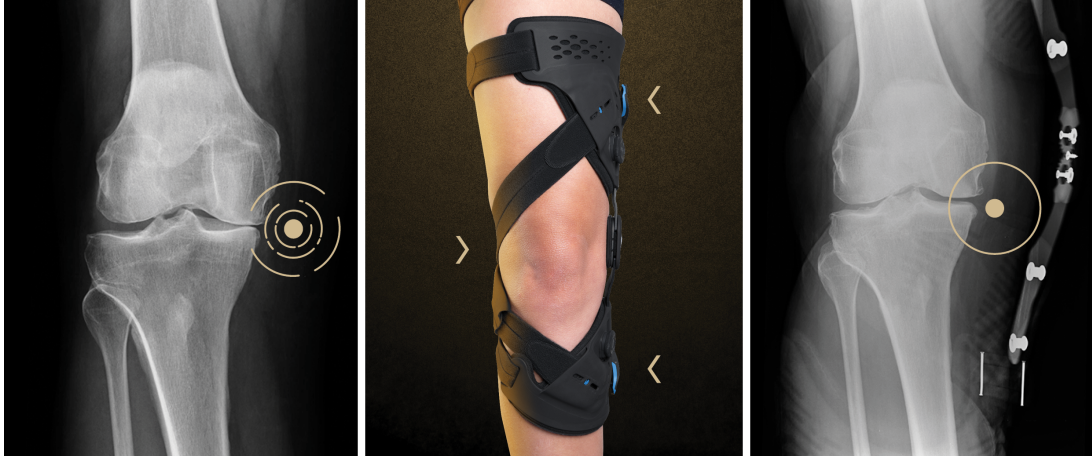

The Gold Standard in OA bracing

Backed by Studies.
Trusted by Clinicians.

When it comes to knee OA treatment, Unloader One stands out as the gold standard. With technology trusted for over 35 years and backed by 20+ clinical and biomechanical studies, Unloader One is the choice for clinicians who want the best for their patients. With Unloader, you're not just prescribing a brace; you're embracing a legacy of excellence.

See the Impact!

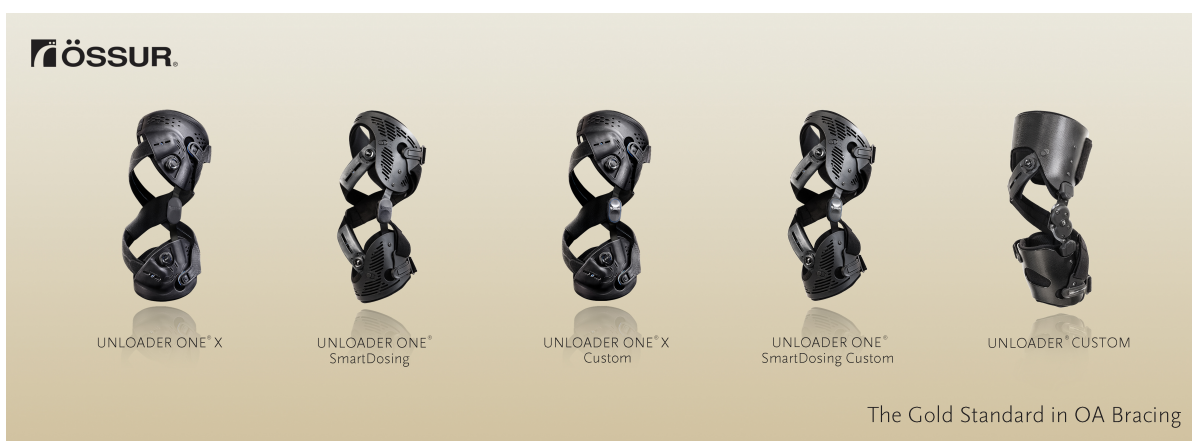

Unloader[®] knee braces ease pain by redistributing pressure within a 3-Point Leverage System, "unloading" the affected area, reducing discomfort. See the difference for yourself with these before and after images.

**Non weight bearing*
