

Smarter Post-Op Support Starts Here

The **Rebound Post-Op Elbow** combines intuitive features for fitters and users with a design that aims to improve the post-op experience.

With a drop-lock hinge, telescoping paddles, mouldable cuffs, and intuitive Blue is You™ touchpoints, it delivers both performance and simplicity.

Key Features:

- Ultra-lightweight design
- Customisable length to protect incision sites
- Drop-lock hinge with secure ROM control
- Easy education with numbered straps and colour-coded buckles
- Universal left/right fit

Rebound Post-Op Elbow

NZOPA 2025

We're excited to be exhibiting at NZOPA 2025 (5-7 Sept) and showcasing the full Össur ANZ product range, including Össur, College Park, Naked Prosthetics, and FIOR & GENTZ.

Visit our stand to explore innovations in orthotics and prosthetics.

We're also hosting two hands-on workshops:

- **Day 1 Friday 5 Sept**

FIOR & GENTZ: Simplifying KAFO Prescriptions

- **Day 2 Saturday 6 Sept**

Built to Move: Live Direct Socket TF Fabrication, Fitting and Navii MPK Programming

Gain practical skills, clinical insights, and time with our expert team.

Össur at NZOPA 2025

Don't Miss Out on our Upcoming Webinars!

Foot Deformities in Your Practice: Accept, Accommodate, or Align?

Join us for a practical, case-based session with **Naveen Nara**, a consultant orthopaedic surgeon with a special interest in lower limb care.

Perfect for anyone involved in managing foot and ankle conditions, whether you're in orthopaedics, podiatry, physio, rehab, or general practice.

Webinar Details:

Date: Thurs 28 August 2025

Time: 6.00PM – 7.00PM AEST

Welcome Adrienne!

Your Local QLD & NT Support

Territory Sales Representative
QLD/NT

We're pleased to welcome Adrienne to the Bracing team at Össur. Adrienne has worked in both rural and metropolitan settings, gaining meaningful experience across public hospitals, private clinics, and community-based care. She's particularly interested in how bracing and supportive technologies can support patient recovery and enhance mobility.

Adrienne looks forward to collaborating with clinicians, building strong partnerships, and helping people achieve their mobility goals.

Behind the Scenes: Meet the Finance Team!

Just like in bowling, our Finance Team knows that every move matters. With precision, balance, and teamwork, they keep everything aligned behind the scenes.

They're the ones turning numbers into insights, ensuring we stay on track, make informed decisions, and drive steady, strategic growth!
