

Connect with us at AOPA 2025

We're proud to be a Supersite Exhibitor this year at AOPA Congress (16-18 Oct), showcasing the full range from Össur, College Park, Naked Prosthetics, and FIOR & GENTZ. Our clinical specialists will be on-site and ready to support you. Bring your questions, explore our innovations, and connect with us throughout the three days!

Celebrate With Us: The Össur Afterparty

Join us on Saturday after Congress for the Össur Afterparty, your chance to relax, connect, and celebrate with friends and colleagues.

How to Join:

- [RSVP](#) to help us plan numbers
- Collect your official ticket at the Össur booth during the Congress
- Our team will be on hand to assist and answer any questions

[RSVP Here](#)

We are seeking a Prosthetic Clinical Specialist to support our customers and further develop and grow our Prosthetics business. Ideally you would be based in NSW but candidates from other states in Australia would be considered. Please contact our People & Culture Coordinator, [Ashley Dube](#) for more information.

Product Update Announcements

Flex-Run™ Junior

Material and Design

The Flex-Run Junior is moving from carbon fibre to **glass fibre**, providing a more durable and flexible option for lightweight users engaged in high-impact activities. The new blade will feature a uniform black finish, without the visible carbon fibre pattern.

Specifications and Rollout

The build height of the foot will increase slightly, with variation by category. Full specifications have been updated in the catalogue. Item numbers and pricing remain unchanged.

This is a **hard rollover** effective 3 September. All items ordered or warranty replacements issued after this date will be supplied in the new material.

Icelock® 721 Ratchet

We are pleased to share that the **Icelock® 721 Ratchet** has received an updated environmental rating, moving from **weatherproof** to **waterproof**.

There are no design or manufacturing changes to the lock, but this new rating confirms its durability and reliability in wet conditions. The updated rating is effective immediately and applies to all existing products in the market.

AOPA Endorsed Academy Courses

Össur Academy - Prosthetics offers a range of AOPA endorsed courses year-round at our Melbourne facility, designed to provide in-depth education for clinicians in a distraction-free environment. Our upcoming courses include:

- **30 - 1 October:** Optimising Outcomes with Össur UL solutions
- **11 - 12 November:** Össur Transtibial Solutions
- **9 December:** Pro-Flex Family - Introducing the new Pro-Flex Terra
