

## Sharpen your Knowledge with Össur Academy

At Össur Academy, we believe great patient outcomes start with great clinical education.

Our **AOPA-endorsed courses** are designed to help clinicians build deeper knowledge and stronger confidence across prosthetic solutions and patient care.

Based at our Melbourne facility, these hands-on sessions offer a **distraction-free environment** to learn, practise, and connect with peers. We also offer a range of **customised product courses** that can be arranged on request to suit your clinic's specific needs.

Explore our course offerings and take the next step in your professional development with Össur Academy.

## See you at AOPA Congress

It's almost time for **AOPA 2025**, and we can't wait to connect with you at the Össur Booth.

This year, we're bringing plenty of energy, hands-on learning, and a few surprises:

- **Claw Machine Fun** – Scan the QR code for your shot at clawing your way to **Össur goodies** and Visa Gift Cards worth up to **\$500**.
- **Coffee Cart Specials** – Stop by for **exclusive, limited-edition drinks**, crafted just for AOPA. Each day will feature a new flavour to keep you refreshed at our booth.
- **Hands-On Workshops** – We're running **three practical workshops**, each designed to give you valuable clinical insights, skill-building opportunities, and dedicated time with our expert team.
- **Meet Our Team & Ambassadors** – Say hello to our clinical specialists and Össur Ambassadors. They'll be sharing stories, answering questions, and showing how innovation meets real-world mobility.

Össur at AOPA 2025

## Pro-Flex LP Junior

### Introducing the Pro-Flex LP Junior

Introducing the **Pro-Flex LP Junior**, a new evolution within the Pro-Flex Family, engineered to bring advanced motion and durability to younger users.

Built on the trusted design of the adult Pro-Flex LP, this foot delivers the same dynamic energy return and stability, now optimised for younger users.

Key features for your patients:

- **Next-generation ankle motion** to support a smoother, more natural gait
- **Waterproof protection** for confident, all-day wear
- **Enhanced durability** to match active, growing lifestyles

The Pro-Flex LP Junior combines performance, durability, and freedom of movement for active young users.

## Product Discontinuation: Flex Foot Junior

The **Flex-Foot Junior** has been discontinued as of **1 October 2025**.

**Pro-Flex LP Junior** is now available as the recommended low-profile alternative, with the additional benefit of Waterproof protection

Please contact your local Clinical Specialist for more information.

## Product Update: Pro-Flex Terra

We're excited to announce that the Pro-Flex® Terra is now available with Unity®!

This versatile foot, packed with innovation, is suitable for a broad range of users. From those with lower activity levels to high performers, Pro-Flex Terra fulfils the needs of a user as they change during the day. Now, with the addition of the Unity® vacuum suspension system, users benefit from enhanced socket fit and stability throughout the day, without compromising on build height or performance.
