

Firmware Update: **Power Knee**

The Evolution of Powered Prosthetics Continues

We are pleased to share that the latest Firmware Update is now available for new and existing Power Knee users, providing a range of functional improvements designed to enhance user mobility.

Synchronous Control for Power Knee – an advanced gait algorithm that is truly user driven, engineered to deliver fluid and automatically adapting movement at any walking speed

Standing Up

A comfortable ramping up of sit-to stand assistance that can be tailored to the user's preferred speed

Sitting Down

Easy sitting trigger is based on the user's natural movement

Updated Stumble Control

Providing support when it is needed most

Stair Exit

Seamless exit of stair ascent function

Össur Logic App

Improved flexibility for managing patients with complex presentations such as hip disarticulation, bilateral, and individuals with other severe mobility impairments

If you would like to arrange a trial, trial units are now available with the updated firmware. Existing client units can also be updated. Please speak with Customer Care to check if specific client units (please have serial number ready) are eligible for remote update via Bionic Connect, or whether it requires a service to update both hardware and firmware.

If you have any questions, please contact Customer Care or your Clinical Specialist.

AOPA Congress 2025

A huge thank you to everyone who visited us at **AOPA**, what an incredible few days celebrating innovation, learning, and connection.

We loved welcoming you to the **Össur Supersite**, sharing ideas in our workshops, and catching up over a coffee (or strawberry matcha!) at the **Össur Café**.

It was inspiring to connect with so many clinicians, partners, and friends as we celebrated **50 years of community and progress**.

Congratulations to our lucky claw machine winners:

- **Zoe Ware**— \$500 Visa Gift Card
- **Amberly Jones** — \$250 Visa Gift Card
- **Ross Powrie** — \$150 Visa Gift Card

Thanks for making this year's Congress one to remember. We can't wait to see you all again next year.

Product Update

Jr 4-Hole Socket Adapter

Effective immediately, **AJ-122100 Jr 4 Hole Socket Adapter** is now:

- Upgraded to Waterproof rating (previously weatherproof)
- Upgraded to 60kg weight limit (previously 45kg limit)

There has been no physical change to the product, however the item has passed all necessary testing for the upgraded weight and environmental ratings.

The new ratings are effective immediately and are valid for already sold adapters on the market.
