A promotional graphic for a webinar series. On the left, the ÖSSUR ACADEMY logo is at the top, followed by the text 'WEBINAR SERIES' in large blue letters. Below that, it says 'Tuesday 17 February | 6PM - 7PM (AEDT)' and a blue button with 'Register Now'. On the right, a computer monitor displays a video call with a man, David Jeffries, who is wearing glasses and a grey t-shirt. A microphone icon is shown next to his name on the screen.

Don't Miss Out on our Upcoming Webinar!

Understanding Foot Drop, Independence and Overall Quality of Life: The Role of Braces, Splints, Shoes and Inserts

Foot drop can significantly impact mobility and independence. Join sports bracing expert David Jeffries as he explores early intervention, gait changes, and practical management strategies using bracing, footwear, orthotics, and TENS therapy. Learn how targeted support can restore stability, confidence, and long-term outcomes for people living with foot drop.

Date: Tuesday 17 February 2026

Time: 6PM - 7PM AEDT
