Meniscus Repair: State of the Art and Bracing in Knee Surgery

Date: Tuesday, 21 July 2026

Time: 6PM to 7PM AEST

[Register Here](#)

Join A/Prof. Michael Reid, Consultant Orthopaedic Surgeon, for an insightful webinar exploring the latest advances in meniscal repair and the role of bracing in knee surgery.

With extensive experience in sports injuries, knee preservation surgery, ligament reconstruction, meniscal repair and knee arthroplasty, A/Prof. Reid is recognised for his expertise in the management of complex knee conditions. As one of the few surgeons in Australia performing meniscal transplantation, he brings a unique perspective on contemporary surgical techniques and post-operative management strategies.

A New Chapter for Össur Australia & New Zealand

After an incredible 20 years with Össur, Rod Cooper will be leaving Össur Australia and New Zealand on 7 August to begin an exciting new chapter. Over the past two decades, Rod has made a lasting contribution to the P&O industry, working alongside customers, clinicians and partners to help more people live a Life Without Limitations. His leadership and passion have helped shape our business and strengthen the relationships we value so highly.

We thank Rod for his outstanding contribution and wish him every success in the next chapter of his journey.

**Rod leaves behind some very big shoes to fill.
Luckily, building great feet is what we do best!**

We are delighted to welcome Marc Radatt as Regional Director for Australia and New Zealand. Having worked closely with Rod throughout the transition, Marc is looking forward to meeting customers and continuing the strong relationships that have been built over many years.

Please join us in thanking Rod for his remarkable 20 years of service and welcoming Marc as he begins this exciting new chapter with Össur Australia and New Zealand.

Welcome Jarrod!

We're excited to welcome Jarrod Powell to the Össur Bracing & Supports team as our new Area Sales Manager for New Zealand, North Island.

With a background in orthopaedic rehabilitation, medical sales and clinician education, Jarrod brings a wealth of experience and a genuine passion for supporting healthcare professionals to achieve better patient outcomes. As he begins connecting with customers and partners across New Zealand, we invite you to learn more about Jarrod and join us in welcoming him to the team.

Product Update: Improved Collar Nameplate Marking

The Philadelphia Tracheotomy Collar and Philadelphia Adjustable Collar now feature a laser marked nameplate in place of the previous sticker.

Original Version

Updated Version

Key Benefits

- More accurate and consistent nameplate placement.
- Removes the need for a separate plastic label and adhesive.
- No changes to product fit, function or clinical performance.
