

More Choice Across the Iceross Range

We're adding dark mélangé textile variants to selected Össur liners and sleeves, offering users more choice while keeping the same trusted performance.

For [Iceross Dermo Cushion*](#), [Iceross Synergy Cushion*](#), and the [Iceross Sleeve](#), the darker look reflects a growing preference for a clean, modern prosthetic appearance and is less visually sensitive to dirt, wear and discoloration.

There is no change to fit, materials, or clinical performance, and current colour variants remain available alongside the new options.

*Standard and Wave

Partial Hand Solutions

Explore Now

New Patient Take Home Resources

Patient facing one-page flyers are now available across the partial hand portfolio, helping support education and product discussions beyond the clinic setting.

Mechanical Solutions

Patient education flyers are now available for [MCPDriver](#), [PIPDriver](#), [ThumbDriver](#), and [GripLock Finger](#).

Each resource includes QR code access to supporting product videos and educational content.

Bionic Solutions

A new patient resource is available for [i-Digits Quantum](#), supporting education around myoelectric partial hand prosthetic options.

This can support discussions around advanced partial hand prosthetic technology and functional outcomes.

Cosmetic Solutions

A patient education flyer is available for [LivingSkin](#), supporting discussions around custom cosmetic restoration.

This resource can help patients better understand appearance focused prosthetic options.

A New Chapter for Össur Australia & New Zealand

After an incredible 20 years with Össur, Rod Cooper will be leaving Össur Australia and New Zealand on 7 August to begin an exciting new chapter.

Over the past two decades, Rod has made a lasting contribution to the P&O industry, working alongside customers, clinicians and partners to help more people live a Life Without Limitations. His leadership and passion have helped shape our business and strengthen the relationships we value so highly. We thank Rod for his outstanding contribution and wish him every success in the next chapter of his journey.

**Rod leaves behind some very big shoes to fill.
Luckily, building great feet is what we do best!**

We are delighted to welcome Marc Radatt as Regional Director for Australia and New Zealand. Having worked closely with Rod throughout the transition, Marc is looking forward to meeting customers and continuing the strong relationships that have been built over many years.

Please join us in thanking Rod for his remarkable 20 years of service and welcoming Marc as he begins this exciting new chapter with Össur Australia and New Zealand.

Mobility Clinic

Get ready, Brisbane!

Help your patients discover what's possible

Your recommendation could make all the difference. Encourage your patients to join our Brisbane Mobility Clinic for personalised, one on one support from experienced clinicians and coaches in a safe, supportive environment.

Across two days, they'll build confidence, develop new skills, and explore what's possible alongside others on a similar journey.

📍 **BRISBANE | Queensland Academy of Sport (QAS)**
Sat 25 & Sun 26 July 2026
