

Össur Adapters

Seamless Look. Stronger Connection.

[See What's New](#)

The upgraded **Össur aluminium adapter range is here**, bringing updates to many of the adapters you already know and use. Explore the refreshed portfolio and find the right replacements for your existing Össur adapters.

What's new?

- ✓ **Improved corrosion resistance** through enhanced surface treatment
- ✓ **More robust design** for greater reliability in everyday clinical use
- ✓ **Expanded weight capacity** with selected adapters supporting up to 110 kg
- ✓ **Sleek black finish** for a seamless, consistent look across the Össur Leg Solutions
- ✓ **New 4-Hole Round Pyramid** offering unlimited rotational alignment

All upgraded adapters now come with new item numbers. Please refer to the flyer to see the new codes, along with the codes of the items being replaced.

Existing adapters will remain available until 1st November unless stock is depleted earlier.
