ÖSSUR
LIFE WITHOUT LIMITATIONS

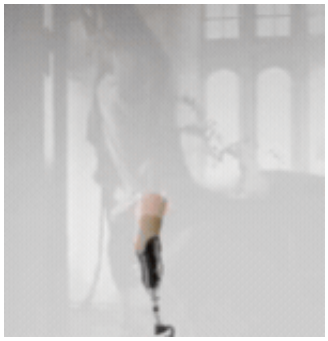

Behind the Össur Silicone Liner

Every liner tells a story.

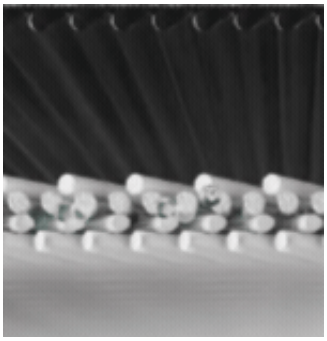

Behind every material choice, design feature and engineering decision are decades of innovation, clinical insight and continuous development.

Our new **Behind the Össur Liner** video series takes you beyond the product to explore the technology and expertise behind Össur silicone liners.

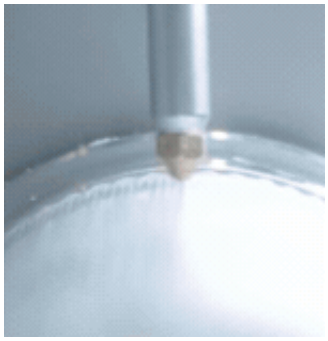

Why Silicone?

Explore the material behind modern liner solutions.

Engineering the Solution

See how materials are transformed into clinical solutions.

Developed & Tested

Discover how Össur liners are developed, tested and refined.

Whether you have worked with Össur liners for years or simply want to understand the technology better, take a closer look at what goes into every Össur liner.

Explore The Innovation

O&P 16TH NATIONAL CONGRESS

THE AUSTRALIAN ORTHOTIC PROSTHETIC ASSOCIATION

Building Futures: Leading Change

We're exhibiting

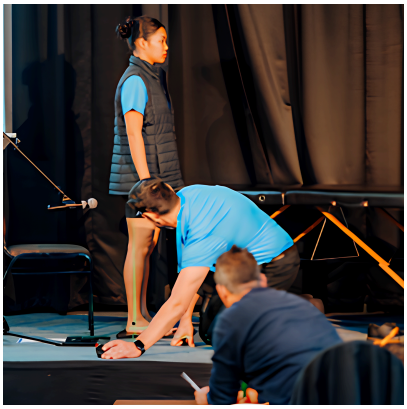

12th — 14th November 2026

Sunshine Coast Convention Centre

See you at AOPA!

We're exhibiting at AOPA 2026! Our clinical specialists will be on site and ready to connect with you throughout the Congress. Bring your questions, explore our latest innovations and discover what's new across Össur, FIOR & GENTZ and College Park Industries. We look forward to seeing you at our stand!
